

# LED Mirrors

## About Hospitality Essentials – Vicinta LED Mirrors

Hospitality Essentials LLC is a U.S.-based FF&E solutions provider and manufacturing partner, offering a complete line of LED mirrors under the Vicinta brand. Dedicated to hotels, resorts, multi-unit apartments and commercial spaces, Vicinta mirrors combine sleek modern design with reliable functionality. Each mirror is crafted with frontlit, anti-defogging technology and high-performance LED lighting that meets brand standards while enhancing the guest experience. With versatile sizing, ADA-compliant options, and customization capabilities, Vicinta provides mirrors that align with both aesthetic and operational requirements.

Through a factory-direct supply chain, Hospitality Essentials ensures consistent quality, competitive pricing, and flexibility to meet project-specific needs. More than a supplier, we act as a project partner — supporting designers, architects, contractors, and developers with end-to-end LED mirror solutions for new builds and renovations alike.

With efficiency, durability, and contemporary design at the forefront, Vicinta LED Mirrors by Hospitality Essentials are positioned as a trusted choice for modern hospitality and commercial spaces across the U.S. market.
